Maldives is the first country I ever traveled to, and now after having traveled to over 30 countries, it still holds a very special place in my heart. A snorkelling trip around 13 years ago made me fall in love with the underwater world, and being a huge water baby, I'd love for you all to come and experience the pristine waters of the Maldives and also the beautiful marine life there.

I'm so excited to share this experience of a lifetime with you and travel together!
